

EC CERTIFICATE OF CONFORMITY

0359-CPD-0126

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Apollo XPander Combined Beacon and Detector
(refer to attached appendix for details and conditions)

placed on the market by:

Apollo Fire Detectors Limited
36 Brookside Road, Havant, Hampshire, PO9 1JR

and produced in the factory by:

EMS Security Group Limited
Technology House, Sea Street, Herne Bay, Kent, CT6 8JZ

Is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. **0359 - Intertek Testing & Certification Ltd** – has performed the initial type- testing for the relevant characteristics of the product, the initial inspection of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

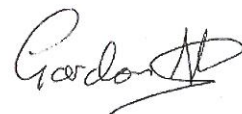

This certificate attests that all provisions concerning the attestation of conformity and the product performance described in Annex ZA of the product standards

EN 54-25:2008

- Fire detection and fire alarm systems - Components using radio links

were applied and that the product fulfils all the prescribed requirements.

This certification was issued on **25 July 2011** and remains valid as long as the conditions laid down in the harmonised technical specification above, or the product design, or the manufacturing conditions in the factory, or the FPC itself are not significantly changed.

Gordon Ash - Schemes Manager

This Certificate is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate. Only the Client is authorized to permit copying or distribution of this Certificate. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek.

Appendix to EC Certificate of Conformity 0359-CPD-0126
